

EASI-GREEN – BY EASIGRASS

The most affordable artificial grass solution in the market

EASI-GREEN ARTIFICIAL GRASS RANGE

Easi-Green has been designed for the green look. It's the ideal grass to green up a patio or balcony or just to use as an indoor carpet. This grass is sold at all Easigrass retail outlets in 2m widths for DIY. We love this artificial grass because it is maintenance free and its texture gives the appearance of real grass and a comfortable feel underfoot. This affordable grass solution makes your garden looking fantastic and full of life all year round.

EASI-PLAY – BY EASIGRASS

Durability leads the way with this winning product

EASI-PLAY ARTIFICIAL GRASS RANGE

Easi-Play is our strongest and most durable grass in our collection that has been developed for all heavy traffic commercial areas like schools, nurseries, colleges and walk ways. This product is used mainly for multi-purpose sports fields where a variety of sports can be played on. For example, soccer, hockey, tennis, and netball to name a few. This product requires very little maintenance and will outperform any of the standard domestic grasses offered by others in the industry. We call it the “tuff one”.

EASI-KNIGHTSBRIDGE – BY EASIGRASS

An Affordable Yet Luxury Range Which Does Not Compromise on Quality

EASI-KNIGHTSBRIDGE ARTIFICIAL GRASS RANGE

Easi-Knightsbridge is our longest standing, tried and tested product and has been in our range for over 8 years. We have recently, due to popular demand, improved on its design for this year by introducing an increased pile height into the product giving it a far more luxurious touch and feel. Due to the volume we sell in this grass it has allowed us to offer it a very competitive rate to the public. No compromises have been made on the quality and this product will allow any customer to enjoy a premium product at a price you can afford. Fantastic value, durable and very realistic looking.

EASI-KENSINGTON – BY EASIGRASS

A Newly Introduced Premier Grass That Incorporates Latest Y-zen Technology

EASI-KENSINGTON ARTIFICIAL GRASS RANGE

With a new breakthrough in yarn technology, we have developed Easi-Kensington for high footfall garden and leisure areas. With a new C-shaped yarn, this product manages to stay a great deal more upright and requires less in the way of brushing and maintenance. Our dead grass infill yarns make it look more realistic than ever. This will enable you to have a mud and mess free environment for very lively kids to play on 365 days a year. Perfect for budding footballers and rugby players in the making, but giving mums and dads more time to relax in summer without having to weed and feed this amazing product.

EASI-SOCCER – BY EASIGRASS

A great looking grass for those multi purpose sports areas

EASI-SOCCER ARTIFICIAL GRASS RANGE

Easi-Soccer is mainly used for full sized and 5 aside soccer fields, this grass turns any field into a low maintenance, hardwearing, waterless option. It requires rubber crumb and sand infill which will give you a real feel of real grass under your soccer boots. It comes with white lines which are then cut into the field. So no more faded painted lines. Just add rubber and then this grass is also a great solution for large play areas and also under jungle gyms. The rubber crumb adds a softer cushion feel. Very hard wearing and tough grass.

EASI-CHELSEA – BY EASIGRASS™

The First Ever Gold Medal Winning Grass from the RHS Chelsea

EASI-CHELSEA ARTIFICIAL GRASS RANGE

We are delighted to say that Easi-Chelsea won us a Gold medal in 2012 at the Royal Horticultural Society (RHS) world famous Chelsea Flower Show. We are the only artificial grass company ever in the history of the show to have a judged show garden that allowed us to demonstrate the quality of our craftsmanship along with this amazing looking artificial grass product. It was and still is very popular with all our customers and was the first product that introduced super soft yarns into the market place.
